

## Taylor Wessing Insight Day

**Friday, 16 March 2018 – Taylor Wessing, 5 New Street Square, London**

### About the Taylor Wessing Insight Day

Taylor Wessing is an international law firm which has been working in partnership with Future First for a number of years to give young people the opportunity to learn about the opportunities that exist in such a firm.

The aim of the day is to develop Year 10 students' transferable skills, such as presentation, networking and communication by engaging in a range of practical activities with professionals from across the organisation including:

- HR and recruitment
- Lawyers, paralegals and legal secretaries
- Business and marketing
- Professional support functions (IT, accountancy, facilities management)

We hope to encourage students to think about the range of jobs available at a place like this, and help give them a head start into figuring out whether they'd like to pursue these careers in the future.

**The insight day is taking place on Friday 16 March at Taylor Wessing, 5 New Street Square, London: 9am to 3.30pm.**
